- b. Excessive slow play may result in denial of play in the future at that course.
- c. A collared shirt is mandatory on all courses.
- d. The dress code is different at each course so check to see where you can wear denim.

6. Prize Allocation

- a. Prize amounts for league play are determined by the number of players who have play on that particular day. The more players the more places paid out and the higher amount for each spot.
- b. The first gross and first net is always at least \$25.00. The goal is to try and pay out to 25% 30% of participating players.
- c. If a new member does not have an established handicap, he is still eligible to play for the <u>GROSS</u> prize monies, until he has an established handicap. To be eligible for the <u>NET</u> prize money the player must have a current established GHIN handicap index from another course handicap system, or from the MMGA/SNGA system.

7. Handicap Index Requirements

- a. Membership with the MMGA automatically enrolls a member in the Southern Nevada Golf Association (SNGA) (www.snga.org). The SNGA is a participant in the GHIN golf handicap system.
- b. All members of the MMGA must have an established handicap index to compete for league and tournament cash prizes.
- c. New members without an official handicap index will be required to play 5 rounds of league play golf before a temporary handicap index can be established by the SNGA.
- d. The Equitable Stroke Control (ESC) system is utilized in determining handicap indexes.

8. Posting Scores

- a. All league play scores will be posted on the SNGA web-site by the Director of Golf Operations. The scores will be reviewed for accuracy. When required, an ESC adjustment of the player's score will be made before being entered into the SNGA handicap records.
- b. If a member plays a round of golf outside of MMGA league play, the round should be entered into the handicap system, utilizing the ESC scoring system, to maintain the integrity of the member's handicap index. This can be done by the member himself or with the assistance of the Director of Golf Operations.

9. Score Card Responsibilities

- a. All playing members MUST review their score cards for individual hole scores and total score.
- b. All cards must have the player's last name and first initial on it.

- a. The MMGA has a unique procedure for members to play league play. There are sign up sheets/books for each Tuesday and Thursday play. The MMGA President maintains these sign-up sheets/books.
- b. Each player is <u>strongly</u> encouraged to sign up in advance to guarantee their tee time. Not showing up to play after signing up is discouraged because it could result in the loss of future guaranteed tee times with area golf courses due to poor attendance.
- c. A member can also sign up by contacting MMGA President Jim "Bubba" Petrick, via email (<u>bubbaprints@aol.com</u>) or telephone (702-346-2655).
- d. However, because we must notify the course 48 hours prior to playing, as to the number of players, you may not play if the allocated number of players is full.
